

Our Vision

Petaluma City Schools will have a strong local, state, and national reputation as a district where:

- ☼ All students reach high levels of achievement in a rigorous and relevant curriculum.
- ☼ All students graduate prepared for success in work, advanced study, and in the community.
- ☼ Students learn in a caring and safe environment where they are motivated to do their best work.
- ☼ Diversity is seen as an asset that strengthens and enriches our learning community.
- ☼ Parents and caregivers are recognized and engaged as partners.
- ☼ The community supports the educational program and is engaged as a resource for learning and expanded student experiences.
- ☼ All district employees are dedicated to student success and operate as a high-performing team sharing resources, knowledge, and skills toward common goals.
- ☼ Shared decision making is valued with active participation from all stakeholders.

To achieve this vision, we will:

- ☛ Align instruction, curriculum, and assessment throughout the district.
- ☛ Make instructional decisions based on student performance information.
- ☛ Use research-based instructional strategies that engage all students in relevant and meaningful learning experiences.
- ☛ Cultivate opportunities for students to connect their learning to career choices and community involvement.
- ☛ Focus district resources on the needs of the students.
- ☛ Recruit, maintain, and enhance a qualified, effective staff.
- ☛ Personalize learning experiences for students and provide support for social and emotional needs to enhance student academic success.
- ☛ Implement student behavioral guidelines that promote mutual respect and personal responsibility.
- ☛ Provide safe, clean, and well-maintained facilities designed to best serve the instructional programs.
- ☛ Employ technology to enhance learning, teaching, communication, operations, and administrative support.
- ☛ Promote practices that ensure the equitable treatment, respect and appreciation of all students, staff and families in our diverse learning community.
- ☛ Provide meaningful opportunities for every parent and caregiver to participate in and support his/her student's educational experience.
- ☛ Engage community members as mentors, tutors, and volunteers in our schools.
- ☛ Cultivate school/community/business partnerships that support programs that provide job shadows, internships, and apprenticeships in the work place.
- ☛ Collaborate with post-secondary institutions to expand educational opportunities and provide a seamless transition from high school to higher education.
- ☛ Provide structures and systems to support staff collaboration.
- ☛ Provide research-based staff development to increase performance and effectiveness.
- ☛ Promote a common understanding and implementation of the shared decision making process.
