# A Message from the Principal

Dear Petaluma Community,

What a year it has been, and our Fall 2021-2022 in-person and Zoom classes are right around the corner! We at Petaluma Adult School are gearing up for an array of our usual state- and federally-funded classes such as High School Diploma, GED/HiSET Preparation, Parent Education, ESL and Citizenship classes, and computer/CTE classes.

We are also excited to bring back our in-person Community Education classes, and our long-standing partner, HarperRand, will continue offering phlebotomy and clinical medical assisting classes. Please enjoy finding a class that is right for you, and please give us your input regarding classes you would like to see offered by our school. We are here to serve adult learners in Sonoma County.

Kind regards,

Nancy Emanuele

Petaluma Adult School would like to recognize Ana Cordova Belik, our Bilingual Family Mentor, who works at our Family Resource Center at McDowell School. Ana brought extensive experience and a passion for community service when she began her employment with Petaluma City Schools in 2017. Together with the Family Resource team, she works tirelessly to offer programs that support family stability through financial support referrals, liaison to schools, healthy cooking classes, coordination of a weekly food bank, and the strengthening of school and community relationships through participation in multiple organizations and groups, such as PCS ELAC.

Ana is described by her colleagues and clients as being warm, patient, kind, and always willing to go the extra mile to help people. Ana is one of seven recipients of the Celebrating the Heroes Among Us North Bay Community Engagement Award.

Thank you, Ana!

Petaluma Adult School would like to extend a heartfelt thank you to Ann Moreno of AVM Graphics for designing our brochure's welcoming, polished look and beautifully appealing graphics! We have been working with Ann for more than 6 years and deeply value our collaboration. Ann's keen eye for detail continues to give our brochure its vintage look and Petaluma hometown feel.

Our catalog's consistent, classic design instantly reminds our community members we are still here, providing classes to fit your needs, and we have Ann Moreno to thank for that continuity.

California adult schools are members of consortia (comprised of local community colleges, offices of education and neighboring school districts), and are funded primarily by the California Adult Education Program (CAEP). These funds support Adult Secondary Education, English as a Second Language and Citizenship, K-12 School Success for families with young children, Career and Technical Education and other programs.

Many adult schools apply for and receive the Workforce, Innovation and Opportunity Grant (WIOA II) funds through the federal government. These monies allow adult schools to offer specific, mandated programs, such as high school diploma, high school equivalency preparation, English as a Second Language and Citizenship.

Petaluma Adult School is over 100 years old!
