

Petaluma Accelerated Charter School Accountability Report Card Reported Using Data from the 2018-19 School Year Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

About Our School

Founded in 2015, the Petaluma Accelerated Charter School (PACS) at McKinley is a 7th and 8th-grade program on the McKinley School campus and is a part of McKinley School. The TK - 6th-grade Elementary School has approximately 380 students and our 7th and 8th-grade program has approximately 110 students, giving the campus a total of 490 students.

PACS at McKinley has 4 core values:

Compassion
Diversity
Rigor
Student-centered Learning

The living vision says PACS INSPIRES:

Innovation: Looking at differentiation and the idea we can learn from Cross-ability groups

Nurturing Spirit: Working with Social Emotional programs like Kelso's choices and assemblies working on character traits like Inclusivity, Grit, Compassion, and Responsibility.

Stem Focus: Sonoma County robotics challenge champs, Multiple winners in Petaluma film festival and 3D printing.

Project-Based: All teachers trained in Project-based learning by 2020-2021 school year and All teachers trained in Icons of Depth and Complexity.

Inclusivity: We have begun to purchase curriculum and books that are a representation of all students that attend McKinley school.

Responsibility: We are responsible for ourselves. Our behavior and our work.

Engagement: Passion projects like Genius Hour and interacts

Student-Centered Learning: Differentiation is a priority and we are able to do this through The icons of Depth and complexity. Meeting the needs of all students with Bilingual resource teachers and aides. We have Spanish for all students in grades TK- 8

PACS staff-school mission statement is as follows:

McKinley scholars are caring, self-directed, and reflective learners who advocate making the world a better place.

McKinley scholars take risks and think critically in a rigorous and student-centered 21st-century learning environment.

McKinley scholars are global citizens who are active participants in their learning and celebrate their diversity.

PACS has 4 classrooms and several specialists on campus:

Bilingual resource teacher
Garden coordinator
Guidance specialist
Library Coordinator

Music/Band teachers
 Reading specialist
 Resource specialist and assistants
 School psychologist
 Spanish-language teacher
 Speech and language specialist
 PE specialist

PACS offers an accelerated magnet program, starting in 7th grade and continuing through 8th grade, attracting students to our school from across Petaluma and the surrounding areas who are interested in a rigorous and accelerated academic program with an instructional focus on Science, Technology, Engineering, Arts, and Mathematics. PACS is a one-to-one iPad school, where all students have access to a personal iPad device. PACS teachers use iPads as a tool for enhancing the learning opportunities of our students and to assist in developing a mastery of 21st-century skills and the newly adopted Common Core State Standards.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

PACS at McKinley recently updated our front entrance with the addition of a new traffic circle in order to accommodate the expanding number of students at our school. We also upgraded our Kindergarten playground with a new turf field and play structure. We are currently working on upgrading our Multipurpose room to transform it into a better space for performing and visual arts program. Description of any needed maintenance to ensure good repair.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	95	95	62	62	50	50
Mathematics (grades 3-8 and 11)	94	97	45	44	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Petaluma Accelerated Charter strongly encourages parents to take an active role in their child’s education. Teachers encourage parent participation in the classroom and at school events. PTA also supports our school with PTA-sponsored, after-school events.

In order to foster parent and community involvement, PACS has partnered with local service organizations and the high schools to bring a rich after-school tutoring program to our campus. Furthermore, McKinley hosts many parent and community events such as:

- Teacher Meet and Greet before the school year starts
- Back to School Night and community barbecue
- English Language Advisory Committee (ELAC) meetings
- Parent-Teacher Association (PTA) meetings
- School Site Council meetings
- Coffee and Tea with the Principal meetings
- Student of the Month Award Assemblies
- Winter and Spring Music Concerts
- Book Fair
- Enrichment Classes
- Family Literacy and Math Nights
- Art in the garden
- Open House

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Safety is our number one priority at the Petaluma Accelerated Charter School (PACS) at McKinley.

Our teachers ensure that each student is part of our school community through bi-monthly, school-wide Caring Schools assemblies. Teachers follow up with weekly classroom meetings to give students time to discuss that month’s positive character trait and reflect on our three universal expectations, (1) Be Safe, (2) Be Respectful, and (3) Be Responsible. The staff at PACS believes that having students who are engaged in their learning and invested in their school will result in a safe school.

Petaluma Accelerated Charter School (PACS) at McKinley has a clearly defined Emergency Response Plan. We have a school nurse on staff to assist with health and safety issues and staff members are trained in First Aid and CPR. Staff and students practice simulated emergency response drills. McKinley holds monthly emergency drills (fire, earthquake, and lockdown) to ensure that we are prepared in case of an actual emergency.

Petaluma Accelerated Charter School (PACS) at McKinley. complies with the California Education Code and all District discipline policies to maintain a bully-free and safe campus. McKinley has a school-wide dress code to ensure that clothing and footwear support student safety and academic success.

Visitors to Petaluma Accelerated Charter School (PACS) at McKinley. must sign in and get a guest pass in the school office. The Petaluma Police Department is responsive to calls and provides consultation in the areas of safety and violence prevention. Our custodial staff does an excellent job of maintaining a clean and safe facility. McKinley students and staff take pride in keeping our school clean.

The Comprehensive School Safety Plan for PACS is reviewed annually and amended as needed with the approval of the School Site Council.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	4	4

Four (4) professional development days were built into the work year calendar. District staff was surveyed to collect teacher professional development interests/needs. The area of highest interest/need was selected as topics for the four (4) professional development days. The four (4) professional development days were divided into elementary and secondary topics, and the PD was delivered in a workshop model with a variety of sessions offered. Some of the workshop sessions offered included, math implementation, site-level collaboration, technology support, Maker/3-D printing, inquiry, and project-based learning, effective influences on student learning, classroom management, accessing/discerning reliable information, and environmental literacy. Teachers also attended workshops, training, and conferences provided by the Sonoma County Office of Education, among other outside providers. To support implementation, several committees have been formed and meet regularly to plan for continued teacher support. The K-12 Curriculum/Staff Development committee met and planned the five (5) professional development days. All teachers participated as members of Professional Learning Networks (PLNs) and met monthly to further their collaborative work. Teachers also are provided time on early-release Wednesdays district-wide for teachers to participate in collaboration, professional development, and staff meetings.
