

Athletic Donation:

At Casa Grande High School, we suggest a \$150 donation per sport per student. The donation is to help with the rising cost of fields and facilities maintenance, equipment, officials, tournament fees, etc.

All \$150 donations go directly to the sport your student athlete is participating in.

Athletic Mission Statement:

The Casa Grande High School Department of Athletics plays a major role in the educational process, and strives to provide a challenging, meaningful and exciting experience for the student athlete. Casa Grande High School's interscholastic program shares in the educational mission of Petaluma City School District by offering opportunities to experience interpersonal growth and social development, as well as to improve physical and mental health for all student-athletes.

Through interscholastic competition, our Athletic Department provides an environment for social interaction and campus/community building. It also fosters a sense of Gaucho Commitment, Integrity, Loyalty, Respect, and Teamwork.

In carrying out its mission, the Casa Grande High School Athletic Department will strengthen the ability of all students to manage their lives and fulfill their potential as student-athletes and citizens.
