## EXCERPTS FROM CURRENT CONTRACT: ARTICLE XI CLASS SIZE

### CLASS SIZE AND CONTACT LOAD

- C. Elementary class size limits:**
- No class in grades kindergarten (K) to three (3) shall be in excess of twenty-eight (28) students, at any one time, unless a waiver is signed.
  - No single grade four (4) to six (6) class shall exceed thirty-two (32) students, at any one time, unless a waiver is signed.
- D. Secondary class size limits:** (Exempt courses: Band and Chorus, Independent Study, Computers, and Computer Assisted Drafting [CAD]). IWEs/TAs do not count as part of the class load nor total student contact.
- Regular class sizes will range from 27 - 32 students per class.
  - Physical education classes will range from 31 - 40 students per class.
  - Teaching assignments outside these limits as mentioned above are to be allowed only:
    - as required by law to handle transferring new students;
    - by unit member request, with PFT notification.
  - No Band or Choir Class will have more than 68 students unless a waiver is signed.
- E. Secondary Unit Member Contact Load:** (Exempt courses: Band and Chorus, Independent Study, Computers, and Computer Assisted Drafting [CAD])
- Regular class unit members shall be 140-160 students, no class larger than 32, unless under unusual circumstances a unit member requests a waiver to exceed 160.
  - High School physical education class unit member load shall be 155-200 student contacts per day, no class larger than 40, at the comprehensive high schools.
  - Junior high physical education class unit member load shall be a maximum of 175 student contacts per day, with a maximum of 36 students per class, to accommodate Special Day Class students at the junior high schools.

**Signing the Waiver is not necessary if teaching within contractual limits and receiving coverage fees.**
